RE: "Order For Stay"
Lawson, Wilcox v Freeholders
Lawson v. Warden, Cumberland
County Jail 1:21 cv 03125
RBK

Dear Honorable Judiciary;

I'm writing you in regards to
the above captioned matter, respectfully
asking for your consideration.

I believe the Cumberland County
Jail is in transition in terms of
sending Cumberland inmates to Hudson
County.

I am not just a similarly

situated inmate part of A class action civil dispute, I am also A plaintiff and headliner in my own civil complaint against the jail, Freeholders, CFG, etc.

I truly believe that If I am moved I will be a target in a new Cnty jail, frowned upon as a troublemaker. I am 51 years old and in the Steps to freedom which is a Drug Program in the jail. This transition will compromise my Treatment as well as my safety your honor.

Also I am awaiting pro bono counsel from the District court, which has already been approved under the Tehbrun Factor. My circumstances are identical to Brawn v. Freeholders Sir as I already indicated.

In the interest of Justice and the fundamental of fairness and good cause shown I ask you to Grant me a Order of Stay.

yours truly
Charles Lawton
